LaGuardia Community  
College, 31-10 Thomson  
Ave, Long Island City, NY  
11101 - Associate Applied  
to Science

## SKILLS

3D modeling  
3D Animation  
2D Animation  
Storyteller  
Gamedesign

## PROFILE

I'm a 3D modeler and Storyteller. My artwork came from the Japanese style and semi realism, trying to make my character and art look real and alive. My goal with my art is to make a story from it and make animation or games. As for right now I am making characters and scenes both blender and procreate, and attempting to finish my game from unreal.

## EXPERIENCE
